CENTRAL INTELLIGENCE AGENCY
Contracting Officer's
DETERMINATIONS AND FINDINGS

AUTHORITY TO NEGOTIATE CONTRACT

The Central Intelligence Agency proposes to enter into a contract with [REDACTED] for the procurement of consulting and engineering services in connection with Project CORONA.

25X1A

I hereby find that this procurement, Project CORONA, is estimated to cost [REDACTED] and is chargeable to Fiscal Year 1960 funds and is for the work set forth above. I also find that this procurement is in the interest of National Defense and that it will be certified by the Director of Central Intelligence in accordance with procedure approved by the DCI on 15 December 1956, to be for objects of a confidential, extraordinary and emergency nature and therefore within the purview of procurement authority of the Agency as stated in Section 10(b) of Public Law 110, 81st Congress. Procurement by formal advertising of the services called for by the proposed Contract No. [REDACTED] would result in public disclosure of the nature and character of the CORONA Program and would thereby jeopardize the security classification of this project.

25X1A

I hereby determine, as Contracting Officer for this contract, that the necessity and authority for negotiation of this contract have been adequately documented by proper Agency authority, and that the proposed contract must necessarily be negotiated without formal advertising.
